Iran

## Profile

I'm Mohammad Reza, a team leader, product manager, and researcher in the game industry with interests in the fields of Data-Driven Game Design, Leadership, Team Development, Team Management with good experience in leadership, and teamwork. I like working in a team; you will learn faster and more. I have excellent technical skills, communication skills, and goal-focused professional offering five years of experience in the Computer industry. I am motivated and enthusiastic by new challenges and tasks and take an excellent approach to achieve success in all projects. I like to work in complex projects which have scope for learning and problem-solving. I have experience in working with different platforms, namely Firebase, GameAnalytics, AppMetrica, and I can learn so fast to work with these platforms, and also I can implement them into the projects. Have expertise various quality process and techniques by which I efficiently took care of quality deliverables of myself and my team, which helped in gaining satisfied customers for the organization.

## Experience

### Team Leader & Game Designer, Ordibehesht Studio, Qazvin, Iran — 2014-Present

Ordibehesht Studio is an indie game developer that is founded by me. I started as a developer, and then I shifted toward Leadership, Game Design, and Product Manager. I was responsible for Zoobi development, and design, Sonjoo Escape design, Kalamatic (Word Game) project management, and I am currently working on 4Wheelers and Words Tour as a leading game designer and project management.

### Researcher & Team Leader, MRL-SPL, Qazvin, Iran — 2013-Present

Mechatronics Research Laboratories - Standard Platform League (MRL-SPL) is a humanoid robotic team that is a part of MRL. I started to work as a developer and researcher. My interest gradually led me to begin research on Team Development.

### Computer Specialist, Savad Bar Transportation Company — 2004-2009

From high school on, I started working in Savad Bar company as a computer specialist. I liked the job since I was interested in the field of computer. Later, I left the job to continue my education.

### Freelance Web Programmer (part time) — 2015-Present

I supplied my financial needs by doing part time web development.

## Education

Qazvin Islamic Azad University — B.Sc in Computer Engineering, 2015

---

---
